

The Andre House Community Invites All to

Thanksgiving Eve Memorial Service and Candlelight Vigil

for those who have died without loved ones present

Join us in honoring the lives of the poor, indigent and unknown who have been buried in the White Tanks Cemetery over the past calendar year. The White Tanks Cemetery is the final resting place for the indigent deceased of Maricopa County. Many of those buried are people who died in our community but cannot be identified.

A prayer service in the Christian tradition will include Hebrew and Christian scriptures, music, luminaries and vigil candles. This powerful service is a reminder to all of us of the brevity of our life on earth and prepares us to truly give thanks on Thanksgiving for the many blessings in our lives.
